

HIGHER EDUCATION STUDENT FINANCE EVENING

Dear Parent/Carer

March 2019

South Bristol Youth, in partnership with the University of the West of England (UWE) and the University of Bristol, would like to invite you and your family to a student finance information evening held at Hans Price Academy taking place on:

Wednesday 13th March at 6pm

This session is delivered as part of the Future Quest programme, which provides young people and their families with information, skills and experiences so they can make an informed choice about going to university. The aim of the meeting is to provide information about the costs of going to university and the funding available, including loans and other support packages. There will also be the opportunity to talk to current university students about their experiences at university.

We will be in the main entrance from 5.45pm to welcome you. The meeting will last no longer than one hour.

Please feel free to bring as many members of your family as you like including younger siblings. Hot and cold drinks with biscuits will be provided.

I very much look forward to seeing you at this meeting.

With very best wishes,

Rachel Stevenson

Widening Participation Officer, South Bristol Youth
