Dear Parents/Carers

2017 GCSE Results: Hans Price Academy is top for student progress in Weston-super-Mare and 3rd highest for progress across North Somerset!

We are delighted to be able to share with you some great news regarding the 2017 GCSE results, which have Hans Price Academy at the top of the league table for Weston Super Mare, and 3rd within the whole North Somerset local authority.

As you are probably aware, the DfE publishes a Progress 8 figure for every state school in England and Wales, which is a measure of how much progress the students made in relation to their KS2 starting point. The 2017 figure for Hans Price at +0.17 puts us at the top of the table in Weston Super Mare and in the top 20% of all schools across the country.

Over two years Hans Price is one of the most improved schools in the South West of England and our continued pursuit of excellence puts us in a good position to achieve our ambition of being one of the best academies in the country.

We are delighted at this recognition for the hard work and huge success for our 2017 leavers, as well as for the teachers and support staff who helped them achieve so highly.

We would also like to thank all of the parents and carers who have supported and continue to support the academy, and our students, on our journey.

Yours sincerely

Mr T. Searle
Principal
