

May 2019

Dear Parent/Carer

I am writing to remind you about the final key dates for the final weeks of the year 11 academic year. As mentioned at the beginning of the school year, we are running some compulsory revision days over the May half term in order to help students prepare for a very busy week of exams the following week.

Our revision focus days will consist of 2 compulsory days and one optional day. The compulsory attendance days will start at 9am and finish at 3pm. Students are allowed to attend in non school uniform and can go off site at lunchtime to get food if they wish. Please contact me using the email address below if your child is unable to make these sessions.

- **Tuesday 28th May (Compulsory day)**
 - English and Maths focus day
- **Wednesday 29th May (Optional “drop in” day)**
 - Drop in day for students to use school resources to revise for their exams
 - Students can drop in anytime between 9am and 3pm.
 - Students are encouraged to attend and revise with their peers
 - BTEC Music students are invited in to work with Mr Hooper on their assignments
- **Thursday 30th May (Compulsory day)**
 - Students will attend either a Science, Music or History focus morning
 - The afternoon session is a celebration event where lunch will be provided and a range of fun activities!

Overleaf I have also included a reminder of the other key dates, along with some final housekeeping measures your child will need to complete before leaving Hans Price Academy.

Thank you for your continued support over this year; we are really proud of the effort this group of students have put in over the course of the year and for me personally, it has been a real privilege to work with them. On behalf of the staff, I would like to take this opportunity to wish your child the very best in their remaining exams and for the next steps in their journey.

Yours sincerely

Work experience opportunities
If your child wishes to gain work experience by volunteering to work with their favourite department from September alongside their college commitments, then please ask your child to speak to Mr Holland or Mr Esch in person or by email. We have had many past students take up this opportunity in order to boost their CV's and maintain their link with Hans Price Academy.
